

Got SCRIP?

Our School - Your Commitment

What is SCRIP ?

- **SCRIP** is a program where you buy certificates for everyday purchases.
- You use the cards just like any other gift card/certificate.
- There is **NO EXTRA COST**. You buy a \$10 gas card-you receive a \$10 gas card.

How does SCRIP work?

Step # 1

St. Thomas Aquinas School purchases merchant gift cards/certificates at a discount. For example:
Kum & Go sells us a \$10 gift card for \$9.50.

Step # 2

You buy the \$10 gift card for \$10 to use.
The difference is profit to the school at **NO EXTRA COST** to you!

Step # 3

St. Thomas Aquinas School **keeps the profit!**

EVERYBODY WINS

Can **SCRIP** really make a difference?

Let's look at the following scenarios...

What if 100 Families

purchased just their gas each month using
SCRIP for one year?

100 families buying Gas!

100 Families

x \$100 in gas per month

x 12 months

x 5% profit (i.e. Kum & Go card)

\$6,000 in profit for OUR SCHOOL!!

What if...

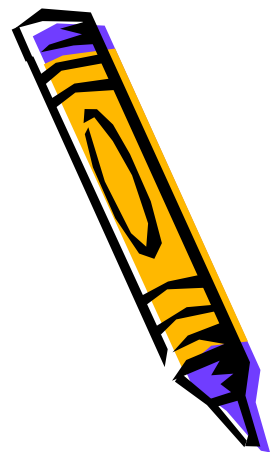

100 Families

purchased their gas and their groceries
each month using SCRIP for one year?

100 families buying Gas & Groceries using SCRIP

100 Families

x \$300 in groceries per month

x 12 months

x 2% profit (i.e. Fareway or Hy-Vee card)

\$7,200 in profit from Groceries *plus*

\$6,000 in profit from Gas

\$13,200 in profit for Our School !

Can **SCRIP**
really make a difference?

You bet it can!!

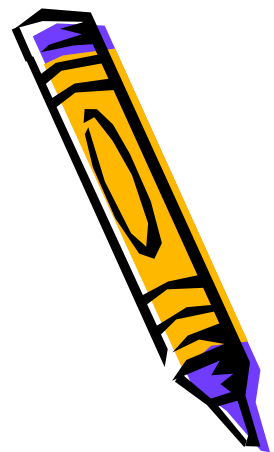

But...

We need **YOU** to

participate !!

And here's how easy that
can be...

Buying SCRIP it's SO EASY!!

- Send your SCRIP order to school. Orders are filled each Friday for pick up or your child can bring home your order each week.
- Order after school on Fridays. There is a wide selection of SCRIP on-hand for immediate purchase.
- Order before or after weekend Mass

We keep many of the frequently used vendors on hand and available for Friday or weekend Mass purchase.

Why SCRIP?

SCRIP is used to help offset expenses at our school. If we don't have SCRIP that money will have to come from somewhere else.

Magazine Sales

Pizza Sales

Cookie Dough Sales

Tuition Increases

So the question is...

Would you rather

Support a program that is..

- easy to use, and
- fits in with your everyday life, and
- has virtually unlimited income potential for the school

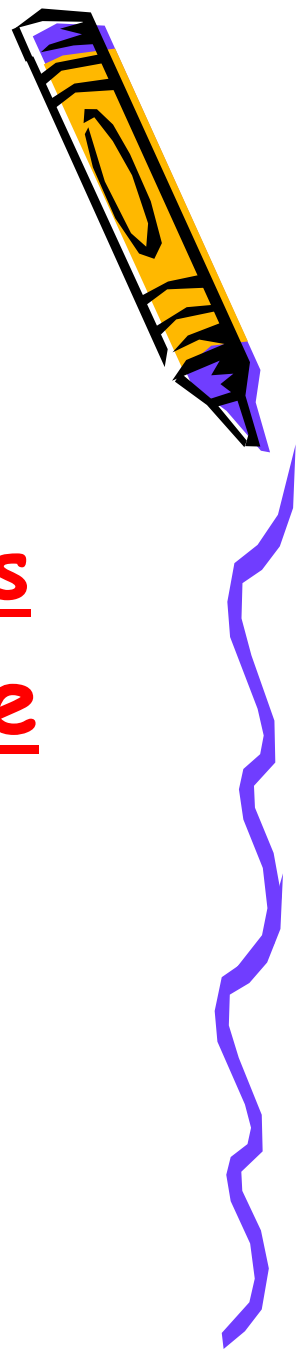

OR...

Would you rather

- Start organizing committees
- for the multiple fundraising events
- that will be needed to replace the income
- that this ONE program could generate!

The Answer

Is up to you!

Our Formula for Success...

will work if we have the consistent
commitment of the following key players!
